#LIVELENT 5

CREATURES OF THE SEA AND SKY

So God created the great creatures of the sea and every living thing with which the water teems and that moves about in it, according to their kinds, and every winged bird according to its kind. And God saw that it was good.

God created – and he saw that it was good. He is deeply satisfied with his creation.

He created 11,000 species of bird, and yet 14% are under threat of extinction (for some it is too late) because of humanities actions.

Let's pray that we use this time to learn a greater appreciation for what God has created and learn to preserve it more carefully as we move forward.

You'll find some colouring on the back page. if you would like to print and colour it, please post a photo of it to the Canford Parish Church Community group, or email to Sharon—families@canfordparish.org

GENESIS 1:20-23

²⁰ And God said, "Let the water teem with living creatures, and let birds fly above the earth across the vault of the sky." ²¹ So God created the great creatures of the sea and every living thing with which the water teems and that moves about in it, according to their kinds, and every winged bird according to its kind. And God saw that it was good. ²² God blessed them and said, "Be fruitful and increase in number and fill the water in the seas, and let the birds increase on the earth." ²³ And there was evening, and there was morning—the fifth day.

Isaiah 40:28-31

²⁸ Do you not know?

Have you not heard?

The LORD is the everlasting God,
the Creator of the ends of the earth.

He will not grow tired or weary,
and his understanding no one can fathom.

²⁹ He gives strength to the weary
and increases the power of the weak.

³⁰ Even youths grow tired and weary,
and young men stumble and fall;

³¹ but those who hope in the LORD
will renew their strength.

They will soar on wings like eagles;
they will run and not grow weary,
they will walk and not be faint.
