

## Mission Update

Programme for Applied Christian Education: PACE  
PACE is a Christian schools work charity established in 1994. They partner with local churches in Bournemouth, Christchurch and Poole (BCP) to serve primary and secondary schools.

PACE Serves Schools in Two Distinct Ways:

Schools Work – The aim is to help everyone in schools to explore the Christian faith. This happens through lessons, assemblies, lunchtime clubs and other activities. Together with others from local Churches.

Pastoral Care – PACE also wants to support all those in schools with responsibility for the pastoral care for their students.

God bless

Sarah Emberley. Missions Co-ordinator

## Finance Update

It is pleasing to see that the congregation's giving to the Church is holding up well and we remain slightly over budget. Later this year we do hope to employ a new Families Outreach Worker which will mean an extra expenditure, although the budget set at the beginning of the year does take a proportion of this into account.

If you have recently joined us then you might wish to set up a monthly standing order to the church (which really helps us to plan expenditure responsibly), Do contact me and I can help you with this, including gift aid forms if applicable.

Thanks

Ann Corke. Church Treasurer
