Mission Update

Child of Hope is a Christian Charity working in the slums of Namatala, Eastern Uganda. It was founded in 2008 by Bex (Les Sherlock's daughter) and Moses Okatel. Their vision is to give children living in extreme poverty the chance of a brighter future through education, care and Christian teaching. Child of Hope has one secondary, one primary and two nursery schools, all providing free education, healthcare and family support. Please pray for Bex, Moses and all the teachers that they would be encouraged, equipped and supported in their vital work. And please pray for more sponsors to come forward: there are 1050 children and young people being supported by Child of Hope but 500 of these are completely unfunded!

This month your prayers are asked for:

David & Esther F

Thanks for answered prayer!

Please contact the church office or Lisa S by the 20th of the month if you would like a name to be included on the next notice sheet. The named person must have given their permission.
