

# Welcome

## to Canford Parish Church

### To keep safe,

- ◇ You are encouraged to wear a face covering.
- ◇ Please sanitise your hands on entering.
- ◇ Find yourself a pew. (Only every other pew in South aisle, North aisle and at the back of the nave will be used for those who wish to be socially distanced from others.)
- ◇ During the distribution of Communion, you will be invited, by a sides person, to come forward pew by pew via the centre aisle and then return immediately to your pew via the side aisles.

Hand sanitiser will be available to use as you remove/replace face coverings
- ◇ Please move away from the exit quickly and try not congregating on the pathway to allow others to leave safely.
