

Finance Update

We have started 2024 with a profit of almost £800 in the first month! Long may it continue thus.

Mission Update

This month's mission is **Mission to Romania** who sends out teams, often linked to the Canford Parish churches, to Romania to help support impoverished Roma families. Peter Owen is our link within the Parish.

Since 2015, they have partnered with Dutch charity Phoneo in Reghin helping to build basic homes to shelter the Roma people especially from the cold winters. Volunteer team members may be skilled builders or with less or no experience who are happy to help.

Donations are sent to Phoneo to help with buying building materials and with the cost of much needed medicines, school meals and school transport enabling the Roma children to have an education.

This year, they have trips planned 14-21 September and 21-28 September. Please contact Peter Owen on [07973 690 240](tel:07973690240) or peterandjenny@btinternet.com if you know someone who may be interested in joining them.

For the past three years, via Sudan Medical link, Canford has been supporting a student training as a Laboratory Technician.

This has since completed and we now have a new student - Joshua Sika Gbianami, who has just begun his training as a Clinical Officer. We look forward to regular updates from him as he progresses through his training.

In our last update we spoke about Child of Hope. A few weeks ago as a first for us at Canford Church, I was able to speak with Bex Okatel via WhatsApp during the morning service. I am hoping that we might be able to use this format to speak to other mission partners in the future.

Your prayers are asked for:

Steve LJ

Also, giving thanks for much answered prayer!

Please contact the church office if you would like a name to be added to this list. The named person must give their permission.
