Mission Support

The Church Pastoral Aid Society (CPAS) supports churches with spiritual and practical assistance, including Christian camps for youngsters. Charles Burgess, our local representative, has been a great help in helping focus our vision and is our mission speaker on 7th March.

Finance Update

We now know that a return to the new normal with the full re-opening of the church and CMC will be in the summer. The pandemic continues to impact on our finances and we struggle to cover our costs with a shortfall of £1700 in January, only being sustained by the faithful giving of our parishioners. We have been reading in Esther and Ezra how the Israelites gave sacrificially for the restoration of the people and the Temple. Can we do the same? Could you restart regular giving, if it has been paused during lockdown? Can we adjust our giving for the effect of inflation? Can we make our giving more valuable by gift-aiding it? Maybe we would want to give a one-off thank you for coming through this difficult time. All forms are available on the giving page of our website, at the back of church or from the Church Office. Thank you to all who have already reviewed and renewed their giving.
